Dear Patricia Ingram:

Based on the information provided in your "2014 DBE Annual Update," and supporting documentation, your company's eligibility as a Disadvantaged Business Enterprise (DBE) has been reaffirmed under Title 49 CFR Part 26 with the Arizona Unified Certification Program (AZUCP). This certification provides reciprocity in the DBE program with the Arizona Department of Transportation, the City of Phoenix, and the City of Tucson in the below NAICS codes:

NAICS-541370: SURVEYING AND MAPPING SERVICES (EXCEPT GEOPHYSICAL)

Code: 541370 Surveying and mapping services

Each year you will be required to update your application with an affidavit and supporting documentation. We will notify you at least 30 days in advance of this requirement.

You must notify this office in writing within 30 days of any change in circumstances affecting your disadvantaged status, ownership, or control requirements, or any information provided in your annual update form. You must attach supporting documentation describing the nature of such changes. This notice must take the form of a sworn affidavit.

Failure to submit your annual update by **10/1/2015** or report the changes in your company will be grounds for removal of DBE eligibility.

We look forward to working with you in carrying out the objectives of the program. If you have any questions, please call this office at (602) 712-8533.

Sincerely,
